The revised Chapter 607 was approved by the big bar in October, 2018. At this point there is one open issue (oppression). Mr. Schwartz summarized the bill as follows: (i) the bill modernizes Chapter 607 based on the 2016 Model Business Corporations Act, (ii) certain changes have been made to harmonize the statute with Florida Statutes, Chapter 605, the Revised Florida Limited Liability Company Act, and (iii) the goal is to have a statute that can be clearly understood by judges in the state of Florida.
5. Third Party Opinion Standards Committee Update. Robert Barron indicated that the Opinion Standards Committee of the Florida Bar issued a First Supplement to the Report on Third-Party Legal Opinion Customary Practice in Florida. Mr. Barron described this supplement and indicated that he would upload this to the Section's website.

  - a. Harmonization with Chapter 607

- b. Glitches that have been noticed since Chapter 605 was enacted.
- c. Series LLCs and whether to provide for them in Chapter 605

Mr. Teblum also indicated that the committee should decide who will take the lead this project. The Committee agreed that it may be best to wait until we see what happens with 607 so that we don't overextend our resources.

7. Florida's Non-Compete Statute, F.S. 542.335. Professor Cohn led a discussion on this statute. The committee discussed that some courts outside of Florida have refused to enforce our statute on the grounds that it is contrary to public policy.
