Minutes

Peter Maskow, Vice Chair of the Committee, called the meeting to order. Peter conducted roll call via phone.

Peter stated that confirmation of the minutes from the September 2019 meeting, along with the minutes from the present meeting, would take place at the meeting of the Committee at the Florida Bar Winter Meetings in February 2020.

Peter provided an update on the ongoing legislative session, noting the bills that the Committee had been asked to review. No one voiced any need for a position by the Committee on any of those bills. Robert Kain advised that the IP committee intends to prepare a comment paper regarding the recently-introduced trade secret bill. It was agreed that the Committee would not take a position and review the comments of the IP committee.

Peter provided an update on CLE work the Committee is performing. He advised that members could obtain credit for the June 2019 Blockchain CLE by sending an email to confirm their attendance and requesting the code. He further announced the availability of the CLE: GDPR and CCPA for the Florida Lawyer presented by Steven Blickensderfer and Joshua Marks on the Florida Bar's website. Finally, Peter announced that the Committee is accepting applications for webinar CLEs for the Spring.

Peter asked for volunteers to serve as the inclusion, mentoring, fellowships, or pro bono liaison positions, which were open.

Darren Spielman moved to adjourn the meeting, Robert Kain seconded, and the meeting was adjourned.
